

Wheel of Life

The Wheel of Life is a simple exercise to help you assess your satisfaction with the various areas in your life. For each of the sectors on the chart, rank yourself on a scale of 1 to 10. For example, if you are feeling great about your Personal Development, you might give yourself a "9." You would then shade in nine-tenths of the Personal Development segment, starting from the inside out. When completed, the Wheel of Life can give you a picture of how your life currently matches up with how you want it to be, along with giving greater clarity in what you want to work on with your coach.
